

actiTape

actiTape Single Drives:

The actiTape single drive is an ideal backup solution for small to medium sized businesses. The LTO technology makes it easy for users to standardize on a tape technology that meets today's data capacity requirements and ensures futures growth potential. Providing high capacity data storage and low cost requirements where capacity growth potential matches the escalating data growth rates that businesses are facing today.

Product Highlights:

- **Exceptional storage density value**

actiTape single drive is designed to provide high capacity and performance in a compact form factor to address backup and archiving requirements

- **Low Total Cost of Ownership (TCO)**

Compatibility with previous generations of LTO media for investment protection and high capacity results in lower TCO

- **Alternatives in movement and storage of data**

Its simple form factor allows easy installation and integration into your datacenter

- **Agility - Easy to manage**

Includes superior management capabilities that makes it easy to install, use and support. Backups are accelerated by processing more information within limited backup windows.

- **Best mix of features and value**

Having the capacity to reduce backup windows and costs. Blending the requirements of by small to mid-range environments

- **Exceptional performance**

Tape drive performance and product life are extended through dynamic rate matching and dual mode compression capabilities.

acti Tape Single Drive

Manage your data cost-effectively with the high capacity and performance half-height Linear Tape-Open (LTO) Tape Drive perfect for the small - midrange open systems environment. Excellent for businesses that require backup or low-cost, real-time archival of data within a small window of time

General	LTO-3 Half Height	LTO-4 Half Height	LTO-4 Full Height	LTO-5 Full Height
Capacity (native/compressed)	400 GB / 800 GB	800 GB / 1.6 TB	800 GB / 1.6 TB	1.5 TB - 3 TB
Max Performance	60 MB/s	120 MB/s	120 MB/s	140 MB/s
Interface	SCSI, SAS	SCSI, SAS	SCSI, Fibre Channel	SAS, Fibre Channel
Recording Format	LTO Ultrium 3, LTO Ultrium 2, LTO Ultrium 1 (read only)	LTO Ultrium 4, LTO Ultrium 3, LTO Ultrium 2 (read only)	LTO Ultrium 4, LTO Ultrium 3, LTO Ultrium 2 (read only)	LTO Ultrium 5, LTO Ultrium 4, LTO Ultrium 3 (read only).

Dimensions

Width	25.0 cm	25.0 cm	25.0 cm
Depth	27.5 cm	27.5 cm	27.5 cm
Height	6.0 cm	6.0 cm	14.6 cm

Environments

Temperature (Operating)	10°C - 35°C (50F - 95F)
Temperature (Non-operating)	-30°C - 60°C (-40F - 140F)
Relative Humidity (Operating)	20 - 80% (non-condensing)
Relative Humidity (Non-operating)	20 - 80% (non-condensing)
